

The Great Pumpkin's

HALLOWEENTOWN

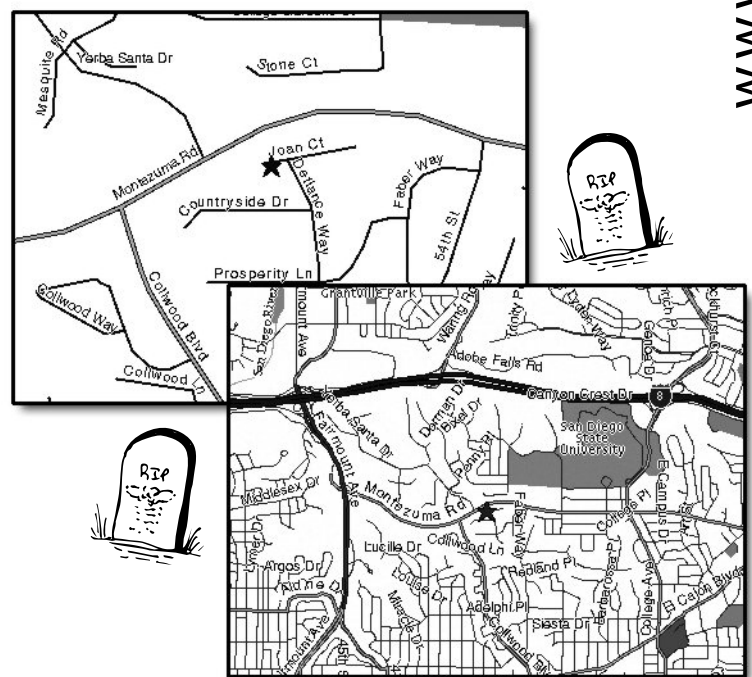

This marks the 45th anniversary visit of The Great Pumpkin!

Halloween Night from 6 pm to 9 pm at 5221 Joan Court.

Dear Parents,
 The Papageorge family and their friends have been bringing The Great Pumpkin to life for the past 40 years as our gift to the neighborhood on Halloween Night.

The fun consists of 3 areas that visitors walk through. The first 2 areas, graveyards and such, are about as scary as Pirates of the Caribbean at Disneyland. No more, no less.

Children 5 & under might be happier to go directly to the 3rd area, where The Great Pumpkin and his nephew, Bob, greet the visitors. There are no scary images here, but there are some loud sounds.

The whole visit takes less than 15 minutes! It's FREE of course! Bring kids of all ages, and we'll see you here on Halloween Night!
