

*Stop by and join us for a night of
old-fashioned, family fun on
Halloween!*

Trick or treating the Great Pumpkin has been a tradition in the College area for 45 years...

Visit our website at www.gr8pumpkin.com to download maps and details on this annual event. This is not a commercial activity, just a free fun family evening, to have fun in our neighborhoods and celebrate community spirit.

The Papageorge family and friends invite you to join in their annual celebration of the true spirit of Halloween and neighborly good cheer...

*Stop by and say hello, we're
just dying to meet you!*
