

## This marks the 60th anniversary visit of the Great Pumpkin!

## Halloween Night from 6 pm to 9 pm at 5221 Joan Court

Dear Parents,

www.Gr8Pumpkin.com

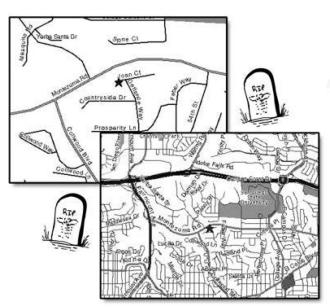

The Papageorge family and friends have been bringing the Great Pumpkin to life for 60 years as our gift to the neighborhood on Halloween night.

The fun consists of 3 areas that visitors walk through. The areas, graveyards and such, are about as scary as Pirates of the Caribbean at Disneyland. Some loud sounds and bright lights. No more, no less.

Children 5 and under might be happier to go to the final area, where the Great Pumpkin and his nephew, Bob, greet the visitors. There are no scary images here, but some loud sounds.

Stop by and say hello, we're just dying to meet you!

The whole visit takes less than 15 minutes! It's FREE of course! Bring kids of all ages, and we'll see you here on Halloween night!
